a. **PD 2024-18 - 3066 North Garfield Special Use Permit (7:15)**

The applicant requests approval of a Special Use Permit for a commercial district housing development at 3066 North Garfield Road. The development application proposes a 20-unit apartment building. The parcel is 1.21 acres and is zoned C-G Commercial. Commercial district housing developments are permitted via Special Use Permit in the C-G General Commercial district. Since the plan was first reviewed by the Planning Commission on October 11, 2023, an attached gym room has been provided with the proposed apartment building.

McManus opened the public hearing at 7:11pm.

James Howard adjoining property owner shared concerns with water retention on the property being developed.

A property owner on Duell Road called Staff regarding traffic at the intersection of Garfield Road and Duell Road.

McManus closed the public hearing was closed at 7:18pm.

Sych addressed the stormwater retention which is being reviewed by the Township Engineer. Applicants will also need to recalculate the snow storage area and mitigate the impact of neighboring sound onto the residential housing. Sych also addressed density and stated that applicant is proposing 16.5 units per acre which matches other developments in the area. Applicant Joe Locricchio spoke and addressed the density, noise mitigation and retention basins. Sean McCardel,

developer, spoke regarding the mitigation of outside noise and stated that the building will be constructed with multi-layered walls. Eric Wilde with Mansfield Associates addressed the stormwater plan which meets the township ordinance. He also stated that landscaping would be moved from stormwater basins and snow storage would be adjusted.

DeGood moved and Cline seconded TO direct staff to prepare Findings of Fact for application SUP-2023-08, submitted by 3066 N. Garfield Rd LLC for a Special Use Permit for commercial district housing development at Parcel 05-013-050-00 subject to the following conditions (1 through 3 as indicated in PD 2024-18).

- 1. Evidence shall be submitted regarding measures which will be taken to mitigate common commercial impacts to comply with Section 725.A(3).*
- 2. Landscape plantings and the common outdoor space are proposed to be located within the proposed stormwater drainage basins. To meet stormwater requirements and open space definition, an alternate site design is required that meets the requirements for landscaping, stormwater, and open space.*
- 3. The proposed snow storage area on the site plan needs to be adjusted to comply with Section 551.E(6).*
